

Accelerating pharma research and bringing medical science to life

- **Job function:**
SAP Manufacturing & Quality Operations
- **Location:**
Head Office
- **Job type:**
Permanent

Healthcare Pharmaceuticals Ltd. is one of the leading pharmaceutical companies in Bangladesh, certified by the international pharmaceutical regulatory authorities like EU GMP, TGA (Australia), NPRA (Malaysia), MCAZ (Zimbabwe), TFDA (Tanzania), EU GMP etc. To support our expansion program, we are looking for candidates who are interested to join our team for the following position:

Executive – SAP Functional, IT

Job Responsibilities:

- Provide day-to-day SAP functional support for PP, QM, PM module and relevant Fiori applications.
- Participate in Industry 4.0 initiatives, including smart manufacturing, process automation, and digitalization projects across manufacturing operations.
- Coordinate with the CSV team to support validation activities, documentation, testing, and compliance requirements for SAP systems.
- Support integration activities between SAP and other enterprise systems (e.g.: eQMS, LIMS) to ensure seamless business operations.
- Conduct regular visits to manufacturing plants to provide on-site SAP functional support, gather business requirements, and ensure smooth production, maintenance, and quality operations.

Required Qualification & Skills:

- Bachelor's degree in Engineering from any reputed university, preferably in Industrial & Production Engineering or a related Engineering discipline
- Fresh graduate or up to 1 year of experience in ERP, Manufacturing Operations, Production Planning, Quality Management, Maintenance, or related areas.
- Strong analytical and problem-solving skills.
- Good communication and interpersonal skills.
- Knowledge on Basic Pharmaceuticals GMP process will be considered an added advantage.
- Knowledge of ERP/SAP or Industry 4.0 will be considered an added advantage

Compensation & Benefits:

We offer competitive compensation package, professional work environment and training and growth opportunities for the right candidate.
